Gabriel Timchenko

Gabriel's Life motto:
Only in the darkest of nights can you see the stars.

Gabriel was born in 2003 in Petah Tikva and at the age of 5 he moved to Beit Aryeh, where he still lives today.

Before the army, Gabriel loved to travel, engaged in community activities as a counselor and was a Scoutmaster. In addition, all his life until the army he was involved in a variety of different fields of sports.

In 2022, Gabriel enlisted in the Golani Brigade, Battalion 13, where he served as a fighter and commander.

On Saturday, October 7, 2023, Gabriel remained at the Yiftah outpost as the commander of the outpost's standby squad. During the fighting in the outpost Gabriel was shot in his leg. He continued to fight and helped treat the wounded and only after five hours was he taken to the hospital.

Today, Gabriel is mainly concerned with commemorating his friends and soldiers under his command who fell in combat.
