

## Nir Sabag

### Nir's Life motto:

Believe that you can, and you are already more than half way there

Nir, born in 1996, was born and raised in Moshav Gan Hashomron, and currently lives in Tel Aviv.

He served as a fighter in the Dudvan unit and was released after full service.

Nir was injured along with 12 of his team members during the first week of the ground maneuver in the Beit Hanon area, as a result of a drone dropping a grenade on the protected area he was in.

He was taken to Sheba Hospital with multiple shrapnel injuries in the leg, arm and back, where he was hospitalized for about two months in the orthopedic and rehabilitation unit.

Nir is currently studying towards a degree in electrical engineering and physics and works in the hardware field.
